

## Popular Topics of the Day.

"The Monarch will win" is an expression heard in bicycle races oftener than anything else. It has not yet been heard here because Monarch Bicycles have not yet been introduced, but when they are they will not take second place in speed, weight or quality of material.

The Monarch is just what its name implies, the King of bicycles, and we are authorized agents for the Hawaiian Islands.

This wheel is made by a company whose standing in the manufacturing world is at the head; they are putting money in their wheels and selling them at a low price because they are not anxious to make themselves rich in a year. For that reason they have put the price within the reach of everyone.

The coming models in the Monarch are No's 8, 9, 10, 11 and 12. These include racing and ladies' wheels. They are fitted with either "Demon" or "King-fisher" lamps, and with this on the front end you can see so far ahead of you that night riding is more of a pleasure than you have been used to. With a Monarch Bicycle you don't have to keep a lamp on the back to keep drivers from running over you; the mechanism is such that a high rate of speed is attained without much muscular power.

Our prices of the genuine Monarch wheel will be twenty-five per cent less than you ever heard of a first class bicycle being sold for. We can do it because we are the manufacturers' agents and have no middle man's profits to pay. Call at our store and examine our Agency papers and secure a handsomely illustrated catalogue.

A second hand Columbia safety can be had of us very cheap, the owner wishing to dispose of it and buy a Monarch.

If you are sceptical call on us and learn that the place to buy the best bicycle is at:

## ELECTRIC RAILWAY CO.

TEXT OF THE ACT TO INCORPORATE THE CONCERN.

List of Provisional Directors and Their Powers. Promotion Money One Hundred Thousand Dollars.

AN ACT TO INCORPORATE THE HONOLULU ELECTRIC RAILWAY COMPANY.

Be it enacted by the Legislature of the Republic of Hawaii:

Section 1. James Dunsmuir, John H. Turner, Thomas B. Hall, Frank W. McCrady, Robert Menough, Clinton Graham Ballentyne, all of the City of Victoria, in the Province of British Columbia; William N. Armstrong and James B. Castle of the City of Honolulu, in the Hawaiian Islands, and any other persons who may hereafter become associated with them, are hereby constituted a Body Corporate, under the name of the "Honolulu Electric Railway Company, Limited."

Section 2. The head office of the Company shall be in the city of Honolulu.

Section 3. The capital stock of the Company shall be Five Hundred Thousand Dollars, (of which twenty per cent, shall be non-assessable), and shall be issued in such manner as the directors may determine.

The liability of any shareholder of assessable stock shall be limited to the unpaid portion, if any, of his or her shares in the capital stock of the Company. The non-assessable stock may be issued by the directors for the compensation and profit of the undertakers and promoters of the objects for which the Company is formed, and no stock in excess of the amount of the capital stock shall be issued without the consent of the executive council of the Republic of Hawaii, upon good reason shown therefore, and with the approval of a majority, in value, of the shareholders. The stock may be issued as above provided, with a preferential or qualified right to dividends.

Section 4. The stock shall be deemed personal estate and shall be transferable in such way as the directors shall by-law direct.

Section 5. The persons above mentioned shall be the provisional directors, and shall hold office, as such, until other directors are appointed under the provisions of this charter, by the shareholders, and shall have power to fill the place or places of any of their number which may become vacant, and to open stock books, and procure subscriptions for the undertaking, to make calls upon the subscribers, to cause surveys and plans to be executed, and they are invested with all the powers as under this charter are vested in ordinary directors.

Section 6. As soon as one hundred thousand dollars of the capital stock shall have been subscribed, the shareholders shall proceed to the election of a Board of Directors for the said Company, and the provisional directors, or a majority of them, shall call a meeting of the shareholders for that purpose, first giving six weeks notice thereof, by publication, to the shareholders.

Section 7. The Board of Directors, of whom a majority shall be residents of the Hawaiian Islands, shall be elected at the meeting to be called, as provided for in the preceding section, each of whom shall be a holder of not less than ten shares; such election, and every question to be decided at such election; shall be decided by a majority of the votes of stockholders present in person, or represented by written proxy, each share to have one vote. The directors so chosen shall immediately elect one of their own number to be president, and one to be vice-president; which president and directors shall continue in office for one year, and until such others shall be chosen to fill their places; and if any vacancy shall at any time happen by death, resignation, or otherwise, during the said year in the office of president, vice-president or directors, the remaining directors shall elect some qualified person to fill such

vacancy for the remainder of the year; and the election of directors shall take place annually, either on the anniversary of the day of the first election of directors or such other day as may be fixed by by-laws as hereinafter provided.

Section 8. If the election of directors be not made on the day appointed, the Company shall not, for that reason, be dissolved, but the shareholders may hold the election on any other day in the manner provided for, by any by-laws passed for that purpose, and all acts of directors, until their successors are appointed, shall be valid and binding on the Company.
